Symposium
Imaging meets immunology

in honour of the inaugural lecture of prof.dr. Conny van der Laken

Friday November 25th, 2022

Amstelzaal, Amsterdam UMC - VUmc

The Amsterdam Rheumatology & immunology Center|Amsterdam UMC and the VU University invite you to the symposium on the occasion of the inaugural lecture of prof.dr. Conny van der Laken, as professor in rheumatology, in particular of imaging of rheumatic musculoskeletal diseases

Imaging meets immunology

On Friday November 25th 2022

Amstelzaal Amsterdam UMC locatie VUmc

New techniques in imaging provide improved diagnosis and better treatment of immunological diseases. During the symposium, several nationally and internationally renowned speakers will shed light on recent developments in these topics.

After the inaugural lecture, the afternoon will be concluded with a reception. It promises to be a very interesting day and we hope you can be part of it.
